

## How to put on a condom

 <p>CONDOM SIZE CHART</p> <p>S M L XL</p> <p>condom</p>	<p>Condoms come in many different shapes and sizes</p>
	<p>Check the condom is in date</p>
	<p>Make sure the condom has BSI Kite/European CE mark</p>
	<p>Carefully open the packet by tearing down the jagged edge</p>
	<p>Take the condom out of the packet</p>
	<p>Check the condom is the right way. The rim of the condom should be on the outside</p>

Squeeze the tip of the condom to get rid of any air, then place it over the tip of the penis.

Roll the condom all the way down to the base of the penis.

After sex while the penis is still erect, hold the condom in place as you withdraw the penis then simply take the condom off.

Wrap the condom in a tissue and put it in the bin. Do not flush it down the toilet as this can cause blockages.
